The week of Feb 29th is working out for our consultation meeting. It will probably take us most of the day Monday to fly up to Billings. Do you have a preference for Tuesday, Wednesday or Thursday for the day of the meeting?

Thanks!

Valois

Dear Valois,

Emerson got back to me right away. He will be at a meeting in Tucson the week of the 8th but is available the week of the 29th and would like to meet then. I have cc'd Emerson so you now have his email.

Hello Ms. Nathan,

Please let me know when would be a good time to give you a call to talk about setting up a formal consultation meeting on the Dewey-Burdock uranium site in the southern Black Hills.

If you would like to give me a call, I can be reached on my cell phone at Ex. 6 Personal Privacy (PP) today. Tomorrow I will be in the office & that number is (303) 312-6276.

Thanks!
